

Blah Blah Blah Dubbing Workshop

Unleash your teambuilding spirit through a Dubbing experience: a creative workshop that's unique and unforgettable.

The Experience

We recreate a dubbing recording studio in the location of your choice. Our team takes care of all the technical aspects and the animation.

The participants are both spectators and actors.

For Which Occasions?

- For training days;
- Energize your special events:
 - Birthdays;
 - End-of-year Parties;
 - Trade Shows;
 - Festivals;
 - To launch a product.
- Workshops available in French and in English;
- Accessible for everyone.

Multiple Purpose

- Strengthens teamwork;
- Develops active listening skills;
- Improves self-confidence;
- Express yourself clearly: diction, pronunciation, speaking in a group, speaking in front of a microphone.
- Improves understanding, interpretation, reading emotions.
- Discover new abilities by stepping out of your comfort zone.

Two Workshop Formats

- A DISCOVERY Workshop: Discover the dubbing profession using excerpts speaking into the microphone and interpreting the text;
 - Recording and viewing.
- A DUBBING REWRITING Workshop: using an extract, rewrite the dialogue while respecting the character's lip movements their emotions;
 - Recording and viewing.

How The Magic Happens

The principle is simple: The text scrolls on the screen below the video. Participants read the dialogue by putting themselves in the shoes of their characters. They discover the secrets of dubbing in English or in French and guided by a professional actor. Their voice replaces that of the characters in the Excerpts.

Many Incredible Benefits

A dubbing workshop promotes:

- Collaboration
- Communication
- Active listening
- Self-Confidence
- Letting go
- Creativity
- Inclusion

Which Excerpts?

Various excerpts from films, cartoons and TV series.

The Cost

The price depends on the workshop chosen, the number of participants, and its duration.

Duration

Two hours or half a day, the session adapts according to your wishes and needs.
