

# Blah Blah Blah Dubbing Workshop

A fun and creative workshop that introduces students to an unusual cinematic profession

## The Experience

We recreate a dubbing recording studio in the classroom or at the venue of your choice. Our team takes care of all the technical aspects and the animation. The participants are both spectators and actors.

## Who Is It For?

- Students from Grade 3 and up;
- Students with the ability to read out loud;
- Experience offered in French or in English;
- Accessible to all, including students with speech difficulties.

## A Range of Objectives

- Improve students' self-confidence as readers
- Stimulate oral expression in French and English in a fun and innovative way
- Work on voice, diction and pronunciation
- Work on comprehension, interpretation and acting out emotions,
- Learn dubbing techniques

## Two Workshop Options

- A DISCOVERY Workshop: Discover the profession of dubbing, using excerpts to speak into a microphone and interpret the text;  
Recording and viewing.
- A DUBBING REWRITING Workshop: using an extract, rewrite the dialogue while respecting the character's lip movements their emotions;

## How Does It Work?

The principle is simple: The text scrolls on the screen beneath the video. Students read the dialogue, putting themselves in the shoes of their characters. They discover the secrets of dubbing in English or in French, guided by a professional actor. Their voices replace those of the characters in the clips.

## A Wide Range Of Benefits

A dubbing workshop promotes:

- active listening
- self-confidence
- creativity
